Subject: Letter of Interest – COLPOFER Board Membership

Dear Mr. Iannicelli,
Dear Members of the COLPOFER Board,

Following your kind invitation, I would like to formally express my interest in joining the COLPOFER Board.

It would be an honor to contribute to the continued strategic development of COLPOFER, particularly at a time when the rail sector faces both growing challenges and unique opportunities in the fields of security, innovation, and international cooperation.

As one of the founding members of the association and considering DB AG's strong commitment to COLPOFER's objectives, I would be pleased to support the work of the Board with dedication and a collaborative spirit.

Please find attached a short biography, as requested.
I would be grateful if you could consider my application for presentation to the General Assembly at the upcoming meeting in Pietrarsa on 18 June 2025.

Thank you for your trust and consideration.

Sincerely
Dr. Patrick Hennies
